2025/2026

Annual Report

INVESTING IN INNOVATION, WELLNESS, AND STUDENT SUCCESS

LIBRARY TRANSFORMATION

Partnered with the County of San Diego and Girard Foundation to modernize the campus library into the "Discovery Center", a flexible learning and community space supporting literacy, exploration, and engagement.

STUDENT WELLNESS & SUPPORT

Expanded support for student wellness initiatives, behavioral health resources, and equitable access programs through community partnerships and grant funding.

COMMUNITY MIXER & SILENT AUCTION

The 2nd Annual Guajome Community Mixer & Silent Auction brought together families, local businesses, staff, and community supporters to celebrate student achievements and raise funds supporting educational enrichment, wellness initiatives, and campus programs.

A Message From the Foundation

Dear Guajome Community,

Thank you for supporting another impactful year at Guajome Park Academy Foundation. Together, we expanded opportunities for students and staff through educational enrichment, wellness initiatives, grants, scholarships, and community partnerships.

From the Discovery Center transformation to growing student support programs, your generosity continues to make a meaningful difference across our K–12 campus.

As we look ahead, we remain committed to creating equitable opportunities that empower every student to learn, grow, and thrive.

- Guajome Park Academy Foundation Board

SENIOR SCHOLARSHIPS

In partnership with local community supporters, the Guajome Park Academy Foundation helped support 20+ senior scholarships recognizing student achievement, leadership, perseverance, and future aspirations as graduates prepared for their next chapter.

GRANTS AND FUNDING SUCCESS

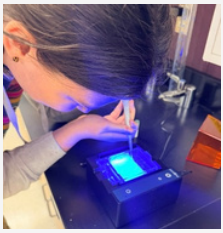

Secured and managed funding opportunities supporting educational enrichment, campus improvements, environmental initiatives, and student engagement programs.

COMMUNITY VOICES

"The Innovation Grant provided our students with meaningful hands-on learning experiences that increased engagement, creativity, and excitement for learning. We are incredibly grateful for the Foundation's continued support".
- Becky Roudebush, Teacher & Innovation Grant Recipient -

"Thanks to the support of the Guajome Park Academy Foundation, our students had the opportunity to attend 5th Grade Science Camp at Catalina Island, an experience that brought science to life beyond the classroom. For many students, this was their first time exploring marine ecosystems firsthand, creating lifelong memories."
- Morgan Dickinson, 5th Grade Teacher -

"On behalf of the cheer team, thank you to the Guajome Park Academy Foundation for supporting our squad with new safety mats. These mats help us practice more safely, build confidence in our skills, and continue growing as a team. We are so grateful for the Foundation's support of student athletics and school spirit."
